

Grisham Middle School Public Service Club

The Grisham Middle School Public Service Club will be having a meeting on the school campus on Wednesday, November 4th, 2009. The club has invited the Texas Department of Public Safety Aircraft Section to be a guest at the meeting.

This is to inform you that a helicopter will be landing on our football field at around 3:45pm on Wednesday, 11/4/09, for the Public Service Club members to see and for the pilots to give a presentation about their jobs. We wanted to assure you that nothing is wrong at Grisham and this is for the benefit of the club members at the school.

Any questions can be directed to the school by calling 428-2650. Thank you in advance for your help and support of our school and the Public Service Club.
