

You're Invited!

In celebration of Education Go Get It Week, the Guidance and Counseling Department of Round Rock ISD is sponsoring a Career and College Awareness Night for elementary and middle school students and parents. Community volunteers will be available to speak with students and answer questions about local companies and organizations. Volunteers will share information about their careers and the type of education needed to be successful in their chosen profession.

In addition, there will be break-out sessions for parents on Early College Start, Saving for College and Future Forward presented by knowledgeable experts. All break-out sessions will be repeated twice: 5:30 PM and 6:15. We hope you will join us for an opportunity to support our students in pursuit of their future dreams.

Breakout sessions

Session A: Dr. Melissa Richardson from ACC

Early College Start-earning tuition free college credit in high school

Session B: Angela Clements from Princeton Review

Future Forward, Looking at the college process

Session C: Brian Sunshine from Nel Net

Saving for College, Texas Tomorrow Fund

Session D: Dave Schwartz from Texas A & M

Getting our kids on track for college
