

LME Opportunities to Contribute

During the 2008-2009 school year, families may choose to participate in fundraising activities benefiting LME, contribute to community service projects, and purchase LME memories. Last year, parents requested a calendar outlining such optional opportunities. In response, the LME Site Based Advisory Committee has created the following timeline. We hope this is useful information as you plan for the year. This information can also be found at www.roundrockisd.org/laurelmountain

Month	Activity	Purpose
