

6th and 7th Grade Accel - Considerations for Placement of Middle School Students

Student Name _____ School _____ Date _____

Campus Recommendation: Yes No

- RRISD Goal – Increase the percentage of underrepresented minority students enrolled in Advanced Placement, Dual Credit, International Baccalaureate, and Algebra I (middle school) courses.
- Parents, students, and educators should be aware that students in 6th grade Accel must learn all of the 6th grade TEKS and the first semester TEKS for 7th grade. Students in 7th grade Accel must learn the second semester 7th grade TEKS and all of the 8th grade TEKS. It is essential that students have a strong foundation in the 8th TEKS as the 8th grade math curriculum is heavily weighted on state assessments for high school and college entrance exams.
- The items listed below may be used by campus educators when considering placement of students in 6th grade Accel or in 7th grade Accel.
