Title 1 Parent Involvement Policy

Representatives of the faculty, parents, and community members of Wells Branch Elementary developed and agreed upon the following written policy for parental involvement supplemental to review of the Campus Improvement Plan.

- I. The Parental Involvement Campus Policy will be distributed in the WBE Parent Handbook and posted on the WBE website.
- II. It will be the responsibility of school staff to establish a two way communication process in a language that is understandable to parents and families regarding their children's academic progress. This should include, but not be limited to: progress reports, report cards, face to face conferences, telephone calls, notes, newsletters, electronic communications, etc.
- III. Wells Branch Elementary will hold parent orientation meetings during the first six weeks of school and discuss the school's curriculum, types of academic assessments used to measure student progress, proficiency levels students are expected to meet, and the Title I school-wide program with the parents.
- IV. Parents will be given the opportunity to provide input and make recommendations regarding the Campus Improvement Plan, the Title 1 program, and the Parent Involvement Policy through the Site Based Advisory Committee and/or at scheduled parent meetings.
- V. Wells Branch Elementary will provide information and promote parents to utilize the campus Parent Resource Opportunity (PRO) Center.
- VI. In order to meet the changing needs of our school, the Parent Involvement Policy will be reviewed or updated during the annual Campus Improvement Plan revision process each year.
