### Dell Direct Giving

Each year, our Direct Giving program provides the Dell team with an opportunity to once again demonstrate the Soul of Dell and enrich the lives of others beyond our local Dell communities via the One Dell: One Community campaign. The generosity demonstrated by the Dell team during this year's Global Community Involvement Month, while not surprising, was a moving example of what we can accomplish together. We would like to especially thank the more than 35% of you across the globe who expressed Dell's winning culture and dedicated countless to assist numerous nonprofit and community organizations - we are proud to be part of such a team.

We feel it is important to share financial resources as part of our commitment to Global Citizenship. We are proud to announce that **Dell is matching your Direct Giving donations year round, dollar for dollar up to \$5000 per employee via Credit Card or Personal Check.** The Direct Giving Campaign will be open for **payroll deduction**, Oct. 27th through Nov. 14th 2008. Team members in the U.S. and Canada can support any charitable cause through the Dell Direct Giving Campaign. Organizations such as nonprofits, schools, faith-based community groups and hospitals are all eligible. A small gift - the cost of one lunch a week, for example - can mean food, clothing and shelter for individuals who truly need our help.

We remain committed to working together with you to positively impact all Dell communities and assist those who rely on our support.

To take advantage of the matching funds, please visit the **U.S. or Canada Pledge Form.**

Direct Giving is easy and convenient, and ensures that 100 percent of your gifts go directly to address the needs and issues of your organizations since Dell covers all administrative and transactional costs.

Thank you for contributing to positive changes in our communities. Together we are making a difference.
