

RRISD HOME ACCESS CENTER
PARENT USE AGREEMENT

PLEASE READ BEFORE SIGNING

The Family Educational Rights and Privacy Act (FERPA) obligates RRISD to protect the privacy of education records of students attending its schools. To protect the privacy of education records that parents can access using RRISD's Home Access Center web site (the HAC), RRISD requires HAC users to use a confidential password. Before RRISD will issue a confidential password to you, you must read this notice and sign below to show that you agree to its terms. Each person who will use the HAC to access information must sign a separate form for each student whose information will be accessed.

Student's Name: _____ Birth date: _____

Parent's Name: _____

I am the natural parent, guardian or other individual acting as parent in the absence of a parent or guardian of the Student named above. I have read this notice and agree to its terms by signing below.

I agree to keep my confidential HAC password in confidence. I understand that if I allow anyone to see or use my password or education records that I obtain from the HAC, it is my responsibility. I agree that RRISD will not be liable to me or any other person for disclosing Student's education records to someone who gets access to those records or to my Password from or through me.

I understand that under FERPA, my right to inspect and review Student's education records ends when Student turns 18, or, if later, when Student is no longer my dependent (as defined by the U.S. Internal Revenue Code). I agree not to use my Password after Student turns 18 years of age or ceases to be my dependent.

I understand that RRISD also makes Student's education records available to me by other means, and that RRISD is not obligated to make them available to me by means of the HAC.
