An Invitation for Feedback

The faculty and staff of Canyon Vista Middle School want to provide all of our students with the finest education possible. We continually strive to improve our services to our students, parents, guardians, and community. In order for us to best meet the needs of your family, we need to hear from you. Please share with us what you perceive to be the positive, rewarding aspects of our school and what you perceive to be the aspects of our school which need some attention. Your comments will allow us to maintain our exemplary areas and focus attention on the areas of concern.

Please use this form to direct your comments to one person on campus. Your feedback may be addressed to an administrator, counselor, teacher, or any other employee. You may send in additional feedback to others on any type of paper. If you want additional copies of this form, they are available in the office. We ask that you be as specific as possible in your feedback.

Our school-wide standard operating procedure involves having parents discuss a question, comment, or concern directly with the responsible employee. Although we often prefer direct contact, we understand that this is not always possible; hence, this invitation for feedback may be a good way for you to begin a dialogue with someone on campus. You may choose to remain anonymous with your feedback; however, by signing your name to this form, direct contact from the school employee may occur to clarify erroneous communications.

If possible, please mail your feedback to the individual recipient of the feedback using the school address listed above. If you choose to drop off your feedback at school, please secure it in a sealed envelope with the recipient's name on the front and drop it off in the main office.
