

# AMERICA RECYCLES DAY NOV. 15

Celebrate America Recycles Day by bringing all of your recyclable paper to the green & yellow

Paper Retriever® bin in our parking lot!

Encourage your friends, family and neighbors to recycle paper in our container all year round.

Not only is it good for the environment, it is a fund raiser for us as well. The more paper we collect each month, the more money we raise for our programs.

## We Need Your Help.

Please bring your newspapers, magazines, catalogs, mail and other paper to our bin on November 15<sup>th</sup> and **ALL YEAR ROUND.**
