

## Gattis Elementary Green Apple Savings Program

What is Green Apple Savings Program?

- ❖ It's a program that A+ Federal Credit Union does for the elementary age children under 12. The minimum to earn dividends is just \$10. One day a month the credit union will set up a table for the children to bring a deposit. At the end of the year we will have an appreciation get together for the Green Apple children. Don't let your child miss out!

Who can join?

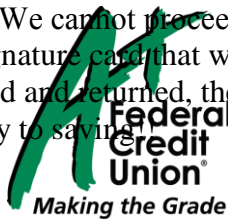

- ❖ Any child that attends Gattis Elementary
- ❖ A sibling of a child who has an account with A+.
- ❖ Parents of children that have an account with A+.
- ❖ Teachers and RRISD staff

What if they don't bring a deposit on deposit day?

- ❖ We have several locations that will accept deposits for any A+ account holder.
- ❖ We also have several coin machines that members/Green Apple's can use for free.

How do I get started?

- ❖ First, fill out an application for each individual child. Please include copies of all social security cards, and ID's. We cannot proceed with the process without them.
- ❖ Second, we will create a signature card that will need signatures and initials. Once the signature cards are completed and returned, the account will be opened by us and your child will be on his/her way to saving!

# Gattis Elementary School's Deposit Days Schedule

\*Subject to change

**2008**

<b>August</b>	N/A
<b>September</b>	Friday 12
