

Round Rock ISD 2nd Grade High-Frequency Word List

By the end of the school year, each Second Grade student will read, identify, & write a minimum of 300 high-frequency words from the RRISD word list. Note: Showing mastery of writing high-frequency words should come from **evidence in student writing** - not a spelling test in the form of an isolated list. Although the typical Second Grade student is expected to gain far more than 300 high-frequency words, this is the number set forth by the Texas Essential Knowledge and Skills.
