Any child who will be five years old on, or before September 1, 2009, who lives within the Laurel Mountain attendance area, is eligible to register for full-day kindergarten for the 2009-10 school year.

### Parents should bring the following items:

Parents are encouraged to come to early registration, even if they do not have all the above information. Packets will be available for parents to sign out and take home for completion if that is more convenient; however, they will need to be **completed and returned by Feb. 27.**

Please share this information with friends and neighbors who will have new kindergarten students entering LME next year.

Welcome to Laurel Mountain!

### Kindergarten Round-Up

Pre-Kindergarten Round-up and all other RRISD Kinder Round-up registrations will be held on April 1, 2009. Parents who have completed Early Registration are encouraged to come to Round-Up for orientation, to receive additional information and visit with a kindergarten teacher.

We are looking forward to meeting our new students, and welcoming their families to our Laurel Mountain Community!
