

Old Town Elementary

PTA and YOU!!

Please consider joining the OTE PTA!

Why should I be a part of the OTE PTA?

Our local PTA unit is a child advocacy group that supports the programs at Old Town Elementary and in the community. Parents & Teachers work together here at Old Town, to provide the best possible education for our children. As a PTA Member, you are helping to provide funds and programs that enhance the curriculum that benefit our Old Town Texans.

Come on Dads!! Make sure you join as well and help raise the standards of parental involvement. We LOVE seeing BOTH parents actively involved at Old Town!
