Spring Carnival Planning Meeting—Tuesday, November 8, 2011 1pm-2:30pm at OTE campus (location will be posted at check-in) From Committee Chair, Jen Johnson:

The school year is off and running and we need to get the ball rolling for the Spring Carnival! If you served on a carnival committee last year or are interested in joining the carnival committee for this year, please join us for an all-hands plan-ning meeting. This is an open meeting, so please feel free to invite anyone who might be interested in joining the carnival committee. WE NEED YOU!!! It takes many dedicated volunteers and committee coordinators to make our carnival fun for everyone and a wonderful success every year! While we have many fabulous volunteers on our committee this year, we are still in need of co-chairs for Food and Games/Activities.
