

WHY DOES SPICEWOOD TEACH A FOREIGN LANGUAGE?

In 2004-2005, Spicewood began teaching Spanish to all our students in accordance with the International Baccalaureate Primary Years Programme© guidelines. We teach Spanish to all of our students in a rotation with the fine arts and PE programs. Discussing which second language to offer and wanting every child to have the opportunity to speak a second language, Spicewood's Site-Based Advisory Committee (parents and educators) chose Spanish as the second language for our school.
