

Attention Health Science Academy Students...

Two very important events are coming up:

This Monday, February 8th, we will be shooting the Health Science Academy picture for the yearbook in the **SP9** gym at **4:30pm**. Not at SPHS, but at **SP9**. Please wear your black Academy t-shirt or a blue Stony Point shirt for the picture.

Immediately following the yearbook picture, we will move across the hall to the SP9 Cafeteria for our "Medical Movie Night" that we discussed at the January meeting. We will watch a medical movie, have pizza and cokes to drink, and at "intermission", members of the healthcare community will have tables set up in the hallway so that you can ask questions about their particular health career. We will finish watching the movie and be done by 7:00pm. Please let your parents know to pick you up at **7pm** at the SP9 cafeteria.

Both events are **this coming** Monday afternoon starting at 4:30pm.
