

CAS Individual Completion Form

Learning Outcome	Achieved (X)	Nature/Location of Evidence (For example, blog, e-mail, journal page, photo, etc.)
<i>Increased awareness of your own strengths and areas for growth.</i>		
<i>Undertaken new challenges.</i>		
<i>Planned and initiated new activities.</i>		
<i>Worked collaboratively with others.</i>		
<i>Shown perseverance and commitment in your activities.</i>		
<i>Engaged with issues of global importance. (Think globally, act locally)</i>		
<i>Considered the ethical implications of your actions.</i>		
<i>Developed new skills.</i>		

**It is expected that every student will take on a leadership role in at least one collaborative project in which two of the three CAS elements are in evidence.*
