

Teravista Elementary SEPAC Parent Group Now Forming!

You are invited to attend the first official Teravista parent meeting for the Campus SEPAC Group (Special Education Parents' Advisory Council).

What is SEPAC?

SEPAC's goal is to provide *information, training, and support* to parents as they navigate the special education process. The Council also advises RRISD Administration and senior staff on matters relating to special education.

Who is SEPAC?

SEPAC members are comprised of parents of special education students, professionals, community representatives, and the Round Rock ISD (RRISD) Superintendent and Director of Special Education, all of whom are focused on impacting the lives of children with disabilities and their families positively.

Why a Teravista SEPAC Parent Group?

Our hope in forming the Teravista parent group is to develop a community of parents, professionals and family members interested in special education that is unique to our school and that will encourage an environment that carries out the goals of SEPAC.

What Next?

Join us!!

When: Monday November 2nd
Time: 10:00 – 11:00
Where: PRO Center, Teravista Elementary

Refreshments will be provided. Please RSVP so that we know how many “goodies” to bring.
